

ServSafe® Manager Certification Class

San Bernardino County ROP is offering a ServSafe® Manager Certification class for adult participants. This certification course is ideal for restaurant managers, foodservice workers, and entrepreneurs. Strengthen your food safety skills and meet health regulations with training in:

- Food Safety Basics: Sanitation, hygiene, contamination
- Illness Prevention: Risk factors and control strategies
- Safe Practices: Handling, prep, storage, and service

Earn your certification and ensure a safe dining environment for your customers.

Course Fee: \$10

The class fee includes one exam attempt.
