

## **Ready for the Workforce: Employability Skills for Today's CTE Classrooms**

Prepare your students for success in the workplace or higher education with this interactive, one-day workshop. Centered on the Youth Employability Skills (YES!) framework, this training equips educators with practical, ready-to-use strategies for embedding essential 21st-century skills—such as communication, teamwork, critical thinking, and problem solving—into daily instruction.

Presented by Christi McBride, co-author of *Ready for the Workforce: Engaging Strategies for Teaching Secondary Learners Employability Skills*. Participants will explore how to integrate these skills across CTE pathways and leave with immediately applicable strategies to support student readiness for the workforce.
